

Dear children and parents!

The Summer Music camp is around the corner, and we are so excited to see and have you all! We hope and pray that we will have great fun learning the bible and music.

Here are some reminders about the things that you should know and bring to the music camp!

Meals & Lodging:

Tents will be provided by the church.

Please bring padding, sleeping bags, blankets, pillows, and any other necessity for your comfort.

Meals will be provided by the church. If you have any allergies, please inform us ASAP. It is your responsibility to bring your own personal medical supplements and other necessities.

Medical Aid: We will have a first aid kit nearby for any minor injuries.

Things to bring - Personal Items: Please bring whatever you need for three days, a two-night stay program such as clothes, personal hygiene items (shampoo, toothbrush & toothpaste, deodorant, etc.), towels, sanitizing items (hand sanitizer, wipes, etc.).

Since we will spend most of the time outdoors, protective clothing, hats, bug repellants are highly recommended!

Parents and chaperone:

Please help your children to adjust and socialize with other children during activities, mealtimes, and classes. The sooner they adjust and feel comfortable, the better they can be engaged in and enjoy.

Please actively help especially with washing hands before mealtime and on other occasions to minimize possible germ spreads.

The staff will do all their best to keep your child's safety and enjoyment.

We are very excited to kick off summer vacation with you! See you soon.

Sincerely,

SDARM Atlanta Church Music Camp Staff
